

EACH MAN FOR HILL

The New York Democratic Convention in Session.

JUDGE C. M. BEEBE, CHAIRMAN

The Delegates Wildly Cheer Each Mention of Hill's Name—Gaining Down to Business.

ALBANY, N. Y., Feb. 22.—At 12:30 Chairman Murphy, of the state committee, called the democratic state convention to order, and without formality introduced Judge George M. Beebe as temporary chairman, who made a short speech referring in eulogistic terms to Senator Hill. Every mention of the name of Hill was cheered again and again.

At the conclusion of Judge Beebe's remarks resolutions were introduced providing for the selection of one delegate from each congressional district to report to the convention, four delegates at large and two delegates from each congressional district, to go with alternates, to attend the Chicago convention, and two presidential electors from the state and one regular elector from each district; also for committees to select permanent officers, on credentials, and on resolutions; also empowering the state committee to fill all vacancies on the electoral ticket. A resolution was adopted continuing the state committee in existence until the next convention. The roll of districts was then called for the appointment of members of the various committees. The convention at 1:43 took a recess until 3:30 p. m.

NO ONE TO BLAME.

The Coroner Holds No One Responsible for the Deaths by the Burning of the National Surgical Institute at Indianapolis.

INDIANAPOLIS, Ind., Feb. 22.—Coroner Manker has furnished the press with a copy of his verdict in the case of the recent Surgical Institute fire. The verdict is a complete whitewash. It is very voluminous and fills two columns of nonpareil. It finds that the nineteen victims of the institute met their death by suffocation and not by burning; that all might have escaped but for their fright and excitement; that adequate means of protection and escape were provided; that the police, fire department and employees of the institute did their whole duty in assisting the inmates to escape; that the management did not comply with the law requiring printed notices of the location of the fire-escapes and how to use them to be posted, but it was held that "the acquaintance and familiarity of inmates with the construction of the building probably obviated the necessity of this." The conclusion of the coroner is that the management furnished all reasonable appliances for protection and it is therefore held blameless.

REID HAS NOT RESIGNED.

We Will Probably Do So, However, Soon After His Arrival in America. PARIS, Feb. 22.—United States Minister Reid and family expect to sail on the steamship La Bourgogne next Saturday. Mr. Reid does not wish to leave his work uncompleted, but it is held here that M. Ribot is no longer in a position to sign treaties. Mr. Reid has not resigned the post of United States minister. It was his desire at first to resign early enough to enable him to present his successor to the French officials, but at the request of the state department at Washington he will not resign until after his arrival in America, and probably not until the extradition treaty has been voted upon by the United States senate, as the state department might wish him to explain officially some portion of the document.

A Matrimonial Puzzle. HARRISBURG, Pa., Feb. 22.—Sixty-five-year-old George Smiley, of Harrisburg, has just married 37-year-old Miss Annie Carman, of southeastern Missouri, in this city. The bride is the youngest sister of the wife of T. M. Smiley, son of George Smiley, and by this peculiar union the bride becomes the mother-in-law of her older sister and the latter the daughter-in-law of her youngest sister. The father and son are brothers-in-law. The five children of T. M. Smiley (the son) are now the grandchildren of their late aunt.

Four Thousand Rabbits Taken. TRAVELER, Cal., Feb. 22.—The largest rabbit drive ever held in this section was held Sunday about 2 miles west of this place. Hunters, vehicles and 400 mounted horsemen commenced the line of march, which extended 4 miles in width. Great excitement prevailed upon reaching the wings of the coral, which were 1 1/2 miles apart. About 4,000 rabbits were secured.

Richard Gray Acquitted. CINCINNATI, Feb. 22.—Richard Gray, the letter carrier who recently shot and killed Engineer Stephen Grogan in the Covington courthouse for ruining his daughter, was acquitted on the grounds of insanity. The jury was out but a short time, and took but one ballot. The large crowd applauded the verdict.

Clothing Thief Captured. ASHBY PARK, N. J., Feb. 22.—Abram S. Trousberg was arrested here Saturday night on the charge of stealing \$2,500 worth of clothing, four years ago from Simon Levy's store at Sea Bright. His bail was fixed at \$3,000, in default of which he was committed to the Monmouth county jail at Freehold.

Bills for Governor. WHEELING, W. Va., Feb. 22.—Ex-Congressman George W. Atkinson and National Congressman N. B. Scott, leading republicans, say that Secretary of War Hoke is to be nominated for governor and will accept. The formal announcement of his candidacy is to be made at the convention of republican clubs in Parkersburg next Wednesday.

Railway Traffic Suspended. CANTONVILLE, Pa., Feb. 22.—Railway communications with Western Europe are still suspended, owing to inundations. No through trains have arrived or departed since Monday.

Partial Railway Accident. PITTSBURGH, Pa., Feb. 22.—The engine on the eastern express, No. 104, on the Baltimore & Ohio railroad jumped the track at Siler's grove, 9 miles east of Pittsburgh. The engine rolled down a 40-foot embankment. Engineer Edward Mahan, of Glen

wood, was instantly killed. Fireman Donahoe was seriously injured. No passengers were hurt.

Three Were Drowned. PLYMOUTH, Feb. 22.—The barkentine Patriot is stranded at Arklow, Rock. Three of those who were aboard her were drowned. A mailboat just arrived from the Scilly Islands reports several large vessels lying in a distressed condition.
